

**CITY OF LONGMONT | Planning Division
Prairie Dog Management Permit Application**

Upon submission of the Prairie Dog Management Permit Application, the City will determine if a minor or major prairie dog management permit is required. Please see the [Prairie Dog Management Overview](#) sheet for more details.

Major prairie dog permits are required to relocate or exterminate prairie dogs if the property has an Active Prairie Dog Habitat (APDH) of 1.5 acres or greater, or if it does not have existing urban development. Minor prairie dog permits are required to exterminate or relocate prairie dogs if the property has an ADPH of less than 1.5 acres or an existing urban development. A wildlife biologist will need to confirm the size of the APDH, provide an estimate of the number of prairie dogs, and describe the methodology for the estimation. There is a \$500 application fee for a major permit. When the permit is issued, an applicant for a major prairie dog permit may also be issued a \$1,200 per acre Habitat Restoration Fee for each acre of APDH lost through extermination. There is also a fee associated with signs used for relocation and extermination (\$20 per sign).

Date of application: 3/16/2023

Applicant (First): _____ (Last): _____

OR:

Applicant (Company Name): City of Longmont

Property address where prairie dogs are located (or directions from nearest cross streets):

105 Boston Ave

County: Boulder Parcel Number: 131510066001

Parcel Size: 59.04
